Charles Lindbergh Proved Earth Flat

Charles Augustus Lindbergh, known as THE LONE EAGLE, was and is one of America's greatest heroes.

On May 21, 1927, when the world was telegraphed that THE EAGLE HAS LANDED in Paris, France, history was made. This word-shaking event electrified the world! It was all the world knew it was — the beginning of Fantastic Renaissance, the Re-awakening of Rhyme and Reason, and a Defeat for the Monsters of Science Religion. Much of the same thing happened as had occurred in 1492. Till that year, for thousands of years, the Science Religion or Religious Science, say it either way, (same thing) had kept the minds of people dark — we should say the Traders-Science Religion, could even say Traitors-Science Religion. Anyway they had preached officially that the world was a "Globe-Ball-Planet, way out in space". Only an elite few, Phoenician, Greek, Semitic traders knew the facts that Earth was Flat. This dark superstition of a Globe planet world was perpetuated to keep the people from travelling or trading by sea or any other way, but especially by sea. They were told, and of course would be true, if the world is a ball and sailed out of sight of land, they would go over the edge, start downhill and get so far that they couldn't get back — would go off the edge of the world! If of course the world were a globe, this would happen within six to 10 miles, then you would be heading downhill and by a couple hundred of miles would be hopelessly "OVER THE EDGE!" Well, Columbus set out to PROVE ONCE AND FOR ALL THAT TIME EARTH WAS FLAT! Of course he couldn't have any sailors to go with him as all the Moors and etc. of Spain in 1492 had "faith and believed earth was a Globe!" That is to say, all who were related to Rome and Islam-Babylonia the "Globe was the official Dogma and had been official for at least from 200 A.D. Anyway this bold break through the defying of the Science Religion and Columbus proving the Roman Catholic and Babylonian Middle East official dogma was false, that the world of commonsense, reason, logic and physics, and the evidence of your senses, had proved that the world is flat. Instead of what is still taught by the State Religion, "lean not to your own understanding" but to what your Priests or Expert Rabbis say, "live by faith and not by sight" etc.... The people of Europe were overjoyed and thought his voyage PROVED THE COMMONSENSE, SELF-EVIDENT PLAIN LAWS OF PHYSICS THAT WATER SEEKS ITS OWN

LEVEL AND LAYS FLAT. The Ocean was a pond, the people thought. The age of superstition was over but they reckoned not with the 'Scientists.' The Priests and Rabbis of Darkness, their VERY light IS darkness! Short while later a dope fiend monk named Pernecious, in English-Latin version was Copernecious, or the

Col. and Mrs. Charles A. Lindbergh, The 20th Century American "Columbus" who proved with his airplane by Direct Experiment, Earth Flat. He proved that the Judo-Christian Theory of Ball Earth...was...only Scientific superstition.

'Copernecious Hypothesis or with EVIL THEORY, had shot dope and chewed cocaine and tried to come up with something to do away with Columbus PROOF that EARTH WAS A FLAT PLANE. He did write a Si-Fi book "The Spinning Ball", the idea being to try to explain away the fact that Columbus didn't fall off — it was spinning so fast and could not fall off! What a nutty ideal Of course, but that's the best the Monk Scientist could come up with. Well, enough of that, back to the Later Day Columbus, Charles Lindbergh. From about 1600 or so the Monk-Priest-Rabbi-Scientists had gotten rid of Columbus and his proof and put the old dope Heads Dream into textbooks and it was back in business for the Monks and Monkies — back to a ball but now SPINNING, WHIRLING, AND GYRATING — same ball, but now

spinning! That is till the Eagle Landed in Paris. He was born in Detroit then went to school in Wisconsin, learned to fly mostly in Texas. He was one of the first to fly 'Air Mail' between St. Louis and Chicago. In Chicago and Zion he made contact with Wilber Glen Volvia and got the facts. Mr. Volvia was then the head of the Flat Earth Work in U.S.A. and most of the world. Charles, like me, and millions more, was born with commonsense, nowadays called 'genius' because it is so rare. He always knew the earth was flat but like most people, just let it slide. But when he met the man who could and did make it so clear that a vast Satanic Hoax was taking place, showed him how to prove it. Well, from then on he couldn't rest until he had helped — to fully ESTABLISHED THE FACT THAT EARTH WAS FLAT and rout the 'gang' who were then and had always worked to 'deceive the whole world.' A plan was set up to suddenly and unexpectedly to upset and disprove the Monster Scientists who were in league with the Pharisee and Saducees, now known as 'Christians and Jews, who were keeping the world in darkness. His plan was out together partly in St. Louis, partly in Chicago and California with our men. The Pharisee and Saducees Scientists told him 'couldn't be done' and that earth is a ball spinning, whirling, and gyrating through space millions of miles per hour, and that it's impossible, couldn't navigate over the HUMP in the ocean especially with all the spinning and whirling and gyrating in three or four directions. According to the Pharisee and Saducee Scientists, on the ball world the "curve" between St. Louis and Paris was 6,000,000 feet! 1,136 miles. The HUMP between the two points would be about 284 miles high. But he did not fly over ANY hump, but set his PLANE, LEVEL and stayed LEVEL FLAT!

All the vast calculations and tons of navigational equipment and Einstein would have to write a whole book of scribbles and magic signs and equations to be able to fly there or he'd crash into the sea or off the world, etc. etc.

Well, the LONE EAGLE took off with almost NO EQUIPMENT, just a compass and commonsense. HE KNEW THAT ALL HE HAD TO DO WAS JUST SET HIS PLANE GOOD MANY FEET ABOVE THE WATER AND FLY LEVEL, plane in the right direction and would 'Fly

Across the Pond'. Oh yeah, from time of WWI here in U.S.A. and Australia, where the Holocaust victims had been taken from, the youth — our soldiers — to go over and be killed by Lord Kitchen (his battle field was called 'hell's kitchen) and the Red Germans. Anyway to go over was to 'cross the pond'. ALL OF THE COMMON PEOPLE knew the sea was just a pond, which it IS.

John F. Kennedy, democrat, with his crime-partner Nikita Democrat Krushchev, with whom he began the "HOAX OF THE TWENTIETH CENTURY" the Movie Studio Space Program. With it, NASA, they sidetracked the American mind and the American Defense Program. Today we have lots of movies of "Giant BIG FOOT steps on a paper moon", but no Navy Ships or Airforce or Tanks or etc. C.I.A., F.B.I. is handcuffed. In the 1960s he sold the American Island, a very part of U.S.A. (like the Panama Canal Zone), Cuba. He began the plan — 'no win war' in Vietnam where hundreds of thousands of Americans lay dead and mouldering in their grave. Thousands were wounded — Americans and Vietnamese. He, with his two brothers were and are the most hated of all men ever to be in politics by the majority of Americans. All feel the Boston Red Kennedys, democrats, are the 'enemy' of the U.S.A. These Hounds of Hell have looted us clean.

Panama Canal Zone is like a 'State of U.S.A. or a Zone of U.S.A.' U.S.A. bought, paid for and created this Zone. This place was uninhabited swamp before.

10 Laws of Physics or the Laws of Life

I was compelled to listen to the jeers and taunts of the apparent victor. After thus wonderingly gazing for a considerable time, with still greater astonishment the vessel was seen to suddenly come again into view! Obligated to admit the reappearance of the vessel; neither of us could fairly claim the victory, as both were puzzled and equally in an experimental "fix". This condition of the question at issue lasted for several days, when, one evening conversing with a "gunner" (a shooter of wild fowl), upon the strange appearance referred to, he laughingly undertook to explain the whole affair. He said that at several miles away, beyond the ferry-house, the canal made a sudden bend in the shape of the letter V when lying horizontally, and that the vessel disappeared on account of its entering into one side of the triangle, and reappeared after passing down the other side and entering the usual line of the canal! After a time a large map of the canal was found in a neighboring town, Wisbach, and the "gunner's" statement fully verified.

The following diagram will explain this strange, and for a time confounding, phenomenon.

FIG. 6.

A. represents the position of the observer, and the arrows the direction of the vessel, which, on arriving at the point B, suddenly entered the "reach" B, C, and disappeared, but which, on arriving at C, became again visible, and remained so after entering and sailing along the canal from C to D. The ferry-house and several trees, which stood on the side of the canal, between the observer and the "bend," had prevented the vessel being seen during the time it was passing from B to C. Thus the "mystery" was cleared away; the author was the real victor, and the gentleman referred to, with many others of the neighborhood, subsequently avowed their conviction that the water in the "Bedford Level" at least, was horizontal, and they therefore could not see how the earth could possibly be a globe.

Experiment 3

A good theodolite was placed on the northern bank of the canal, midway between Welney Bridge and the Old Bedford Bridge, which are fully six miles apart, as shown in diagram, fig. 7. The line from the "levelled" theodolite

fell upon the points B, B, at an altitude, making allowance for refraction, equal to that of the observer at T. Now the points B, B, being three miles from T, would have been the square of three, or nine times 8 inches, or 6 feet below the line of sight, C, T, C, as seen in the following diagram, fig. 8.

Experiment 4

On several occasions the six miles of water in the old Bedford Canal have been surveyed by the so-called "forward" process of levelling, which consisted in simply taking a sight of, say 20 chains, or 440 yards, noting the point observed, moving the instrument forward to that point, and taking a second observation; again moving the instrument forward, again observing 20 chains in advance, and so on throughout the whole distance. By this process, without making allowance for convexity, the surface of the water was found to be perfectly horizontal. But when the result was made known to several surveyors, it was contended "that when the theodolite is levelled, it is placed at right angles to the earth's radius - the line of sight from it being a tangent; and that when it is removed 20 chains forward, and again 'levelled,' it becomes a second and different tangent; and that indeed every new position is really a fresh tangent - as shown in the diagram, fig. 9. T1, T2, and T3, representing the theodolite levelled

at three different positions, and therefore square to the radii 1, 2, 3. Hence, levelling forward in this way, although making no allowance for rotundity, the rotundity or allowance for it is involved in the process." This is a very ingenious and plausible argument, by which the visible contradiction between the theory of rotundity and the results of practical levelling is explained; and many excellent mathematicians and geodesists have been deceived by it. Logically, however, it will be seen that it is not a proof of rotundity; it is only an explanation or reconciliation of results with the supposition of rotundity, but does not prove it to exist. The following modification was heretofore adopted by the author, in order that convexity, if it existed, might be demonstrated. A theodolite

FIG. 10.

was placed at the point A, in fig. 10, and levelled; it was then directed over the flag-staff B to the cross-staff C - the instrument A, the flag-staff B, and the cross-staff C, having exactly the same altitude. The theodolite was then advanced to B, the flag-staff to C, and the cross-staff to D, which was thus secured as a continuation of one and the same line of sight A, B, C, prolonged to D, the altitude of D being the same as that of A, B, and C. The theodolite was again moved forward to the position C, the flag-staff to D, and the cross-staff to the point E - the line of sight to which was thus again secured as prolongation of A, B, C, D, to E. The process was repeated to F, and onwards by 20 chain lengths to the end of six miles of the canal, and parallel with it. By thus having an object between the theodolite and the cross-staff, which object in its turn becomes a test or guide by which the same line of sight is continued throughout the whole length surveyed, the argument or explanation which is dependent upon the supposition of rotundity, and that each position of the theodolite is a different tangent, is completely destroyed. The result of this peculiar or modified survey, which has been several times repeated, was that the line of sight and the surface of the water ran parallel to each other; and as the line of sight was, in this instance, a right line, the surface of the water for six miles was demonstrably horizontal.

This mode of forward levelling is so very exact and satisfactory, that the following further illustration may be

FIG. 11.

given with advantage. In fig. 11, let A, B, C, represent the first position respectively of the theodolite, flag-staff, and cross-staff; B, C, D, the second position; C, D, E, the third position; and D, E, F, the fourth; similarly repeated throughout the whole distance surveyed.

The remarks thus made in reference to simple "forward" levelling, apply with equal force to what is called by surveyors the "back-and-fore-sight" process, which consists in reading backwards a distance equal to the distance read forwards. This plan is adopted to obviate the necessity for calculating, or allowing for the earth's supposed convexity. It applies, however, just the same in practice, whether the base or datum line is horizontal or convex; but as it has been proved to be the former, it is evident that "back-and-fore-sight" levelling is a waste of time and skill, and altogether unnecessary. Forward levelling over intervening test or guide staves, as explained by the diagram, fig. 11, is far superior to any of the ordinary methods, and has the great advantage of being purely practical, and not involving any theoretical considerations. Its adoption along the banks of any canal, or lake, or standing water of any kind, or even along the shore of any open sea, will demonstrate to the fullest satisfaction of any practical surveyor that the surface of all water is horizontal. - Continued Sept. 1980 issue.

This Law even more than the 'letter', then as said so long ago...this LAW brings you to be like or a 'Christ, that is a 'Son or Daughter of God' the great Lawgiver. I have rearranged these laws, from the JBK version, to help. I hope, you understand that they are not 'religious' or 'weird superstitions, like science theory' but practical Laws by demonstration Proved to be effective, for LIVING, 'Right, Kosher, or Proper', however you prefer to word it.

1. Thou shalt not Murder. Murder as defined by Moses, British and All common law on earth is the willful, premeditated with bad intent to take a life.
2. Thou shalt not steal. This also means, as commonsense tells you, 'willful premeditated, with bad intent to rob others, to their HARM. Commonsense is key to all understanding of Life and Law. If you were starving and found some unattended food and took it, or part of it, not depriving someone else of life, is NOT condemned. Though another law of life is 'Ask and you will receive'.

3. Thou shalt not bear false witness or Lie. Common Law - commonsense is always identical - by lying to people you cause them to error, you HARM them! Key is not to 'Harm'.

4. Thou shalt honor thy father and thy mother. You would not or could not exist without your father and mother. You are their 'product'. you are the potter who DARE you curse the potter who made you - perverse and crazed to do so.

5. Thou shalt not commit adultery. The man and woman to become 'one flesh' is a contract that is made. You gave yourself to your mate - heart, mind, and body, and become one. Become a perverse degenerate beast, unable and unwilling to be a Man or Woman created to be an 'image' of God and a Liar and a Thief as well as a LUST crazed beast, when you 'commit adultery'.

6. Thou shalt not covet. Means not to Envy. It is a very root of much of ALL evil on earth. This thought or condition makes Your Life miserable and all you come in contact with. It is also a condition of insanity, like a cat wishing he was a dog, black hair - wishing he was blond or other ANY other condition. Cultivate WHAT YOU HAVE and be glad of who YOU are, insane or otherwise, is illogical and irrational.

7. Remember the Sabbath Day and keep it Holy. (Separate or different). When you obey this, it helps to keep you sane - that is to KNOW you are in a world you did NOT make and you YOURSELF were created that in 'reality' you are the or under the barrel of nothings...less than nothing - everything you are and can see or even think...has come from OUTSIDE of you! Has been 'given you' by grace or without your deserving it, to keep or 'remember' the 7th day is to 'remember, dust your body is and to dust it will return and your spirit to God who gave it'. What a sub-human pervert, what a Lout you are if you refuse to even for one day give some thought to the FACT that you are alone and if you have any sense be afraid in a world you never made. For one day confess your sins or shortcomings. Confess you are a nobody going nowhere and unless you do as commonsense and Jesus Christ said do: Knock and it shall be opened unto you. Ask and you shall receive. Seek the TRUTH.

8. Thou shalt not take the Name of the Lord thy God in vain. Commonsense, SANITY tell you, not only is there 'a power' greater than you, but ALL power on earth and Heaven above is greater than you and that it is all 'beyond you', so FEAR GOD!

9. Thou shalt not make and bow down to any graven image. You will not make some thing, like your house or business or popular 'hero' or 'make it your God'.

10. Thou shalt not have any other God before me. God says, consider these commandments and understand the thought or Spirit and intent behind them, the principle of them...come to understand the Mind that created them. Then, any power or person or whatever who comes to you with 'some other outlook or ways that contradict these laws or principles of Life, then Reject them. You know this GOD by these LAWS. Let this mind be in you - Jesus Christ the record says, was the First Born of MANY BRETHREN. If you keep these laws in the spirit and intent for good, then you too will become a 'big brother'. The Word says: Big Brother is Watching You on this earth and in heaven above, if you understand or believe this, then CKJ says, the District Attorney, the Mayor, the Chief of Police, Mr. Webster, the head of FBI, your neighbors, your father or mother, your wife and husband, Moses, Elijah, and all the Prophets, Jesus Christ and your own spirit within YOU, will tell you that you ARE doing your DUTY and your mind and spirit will be satisfied and you WILL have PEACE. Amen. Let it Be...

Pets sold or given to strangers usually find their way to the vivisectors' trough. An estimated one hundred and sixty-one million animals die each year in vivisection experiments, at least one hundred million of these in the United States alone. Laboratories buy helpless puppies and kittens by the pound; a large percentage of all pets sold at public auction suffer untold agonies at the hands of experimenters.

The experiments include 100% first degree burns, beatings, poisoning, drowning, crushing and such cruel and futile procedures as grafting a second head on a dog or a second heart in the animal's neck as illustrated here.

"If only one-fifth of the sum expended on animal experiments were available for tissue-culture, we should have more practical results than from experiments. Unfortunately, however, the pharmacologists are not willing to give up their usage and continue to use animals. It has long been known that the danger of deformity can be ascertained whilst testing medicaments in cell-cultures very early and indeed more surely and cheaply than by animal experimentation. For instance, in Turkey there were no Thalidomide (Contergan) children, because S. T. Aygün had recognized in 1956 the effect of Thalidomide (Contergan) leading to deformities in the course of a month's test with cell-cultures, and prevented its introduction into Turkey. He also informed the manufacturers of the results of his investigation. However, the latter replied that the product had been tested for three years on 3,000 animals and so it was harmless. We know the outcome."

ANIMAL EXPERIMENTATION and ANIMAL EXPERIMENTERS

by Herbert Stiller and Margot Stiller

Animals & Humans don't react the same—give a cat morphine and it goes wild! Why continue to use animals???

Billions of dollars of our tax money is spent annually, cutting up and torturing many millions of animals in 556 Federal laboratories. Breeding companies sell these animals to our Federal Government & we are the ones who pay for it. Some laboratories cut vocal chords then use NO anesthesia in experimentation. PLEASE WRITE TO YOUR CONGRESSMEN AND SENATORS OPPOSING THE CRUELTY OF VIVISECTION.

WARNING

Don't dispose of unwanted dogs, cats and other pets to dealers who may re-sell them to Vivisection Laboratories—where they could suffer in painful experiments.

Never let your pet out alone—it may be stolen for research!

Midnight Light for Dan McGrew

A bunch of the boys were whooping it up
in the Malamute Saloon;
The kid that handles the music box
was hitting a jag-time tune;
Back of the bar, in a solo game,
sat Dangerous Dan McGrew,
And watching his luck was his light-o'-love,
the lady that's known as Lou.

When out of the night, which was fifty below,
and into the din and the glare,
There stumbled a miner fresh from the creeks,
dog-dirty, and loaded for bear.
He looked like a man with a foot in the grave
and scarcely the strenght of a louse,
Yet he tilted a poke of dust on the bar,
and called for drinks for the house.
There was none could place the stranger's face,
though we searched ourselves for a clue;
But we drank his health, and the last to drink
was dangerous Dan McGrew.

There's men that somehow just grip your eyes,
and hold them hard like a spell;
And such was he, and he looked to me
like a man who had lived in hell;
With a face most hair, and a dreary stare
of a dog whose day is done,
As he watered the green stuff in his glass,
and the drops fell one by one.
Then I got to figgering who he was,
and wondering what he'd do,
And turned my head — and there watching him
was the lady that's known as Lou.

His eyes went rubbering round the room,
and he seemed in a kind of daze.
Till at last that old piano fell in the way
of his wandering gaze.
The rag-time kid was having a drink;
there was no one else on the stool,

So the stranger stumbles across the room,
and flops down there like a fool.
In a buckskin shirt that was glazed with dirt
he sat, and I saw him sway;
Then he clutched the keys with his talon hands —
my God! but that man could play.

Were you ever out in the Great Alone,
when the moon was awful clear,
And the icy mountains hemmed you in
with a silence you most could hear;
With only the howl of a timber wolf,
and you camped there in the cold,
A half-dead thing in a stark, dead world,
clean mad for the muck called gold;
While high overhead, green, yellow and red,
the North Lights swept in bars? —
Then you've a hunch what the music meant ...
hunger and night and the stars.

And hunger-not of the belly kind,
that's banished with bacon and beans,
But the gnawing hunger of lonely men
for a home and all that it means;
For a fireside far from the cares that are,
four walls and a roof above;
But oh! so cramful of cosjyjoy,
and crowned with a woman's love —
A woman dearer than all the world,
and true as Heaven is true —
(God! how ghastly she looks through her rough, —
the lady that's known as Lou.)

Then on a sudden the music changed,
so soft that you scarce could hear;
But you felt that your life had been looted clean
of all that it once held dear;
That someone had stolen the woman you loved;
that her love was a devil's lie;
That your guts were gone, and the best for you
was to crawl away and die.

'Twas the crowning cry of a heart's despair,
and it thrilled you through and through —

"I guess I'll make it a spread misere,"
said Dangerous Dan McGrew.

The music almost died away ...
then it burst like a pent-up flood;
And it seemed to say, "Repay, repay,"
and my eyes were blind with blood.
The thought came back of an ancient wrong,
and it stung like a frozen lash,
And the lust awoke to kill, to kill ...
then the music stopped with a crash,
And the stranger turned, and his eyes they burned
in a most peculiar way;
In a buckskin shirt that was glazed with dirt
he sat, and I saw him away;
Then his lips went in a kind of grin,
and he spoke, and his voice was calm,
And "Boys," says he, "you don't know me,
and none of you care a damn;
But I want to state, and my words are straight,
and I'll bet my poke they're true,
That one of you is a hound of hell ...
and that one is Dan McGrew."

Then I ducked my head, and the lights went out,
and two guns blazed in the dark,
And a woman screamed, and the lights went up,
and two men lay stiff and stark.
Pitched on his head, and pumped full of lead,
was Dangerous Dan McGrew.
While the man from the creeks lay clutched to the breast
of the lady that's known as Lou.

These are the simple facts of the case,
and I guess I ought to know.
They say the stranger was crazed with "hooch,"
and I'm not denying it's so.
I'm not so wise as the lawyer guys,
but strictly between us two —
The woman that kissed him and — pinched his poke —
was the lady that's known as Lou.

THE PRINCE OF LAWMAN

Mr. J. Edgar Hoover, for 48 long years directed the Federal Bureau of Investigation. He made the FBI respected and feared by wongdoers. He was loved by most citizens, who appreciate the fact that it is the various Police, from local to FBI who make life possible. Without POLICE and LAW, the crazed 'no law dreamers' would soon learn that the world is a wild JUNGLE of BEASTS of PREY — seeking who they can prey on. Only the Police and the Law are our Protectors on this Earth. I, CKJ, say that have Honor and Respect and Owe to all Police and Law enforcement officers, for if we don't, we are like a dog who bites the hand that feeds him. The Police and the Law are our saviours on earth. I greatly admire and respected Mr. Hoover. I can remember in my youth that seeing him and the FBI on "GANG-BUSTERS" and the slogan of J. Edgar Hoover, "CRIME DOES NOT PAY". This man and the FBI in my youth had an influence on me and millions of others that last to this hour. He gave honor, dignity, and respect to law enforcement. The FBI was and is to this day, honest and fair — no reasonable honest person has anything to fear from the FBI. They are careful and sure, bend ov-

er backwards to be fair and tolerant. Yet a bad menace to life's limb and property — it is best to listen to the knock on the door, for he will hear it sooner or later. J. Edgar Hoover warned of how the commie would seek to DESTROY U.S.A. by corruption, by drugs, perversions, and morals. To plant spies in key defenses and other aspect of government and defense, and to destroy the people's faith and confidence in our Police is the last step before the 'take-over'. DON'T FALL FOR IT! I have had vast experience in many levels of life and investigations of many happenings in the U.S.A., and I say, Don't lost confidence in the FBI or Police. One rotten apple may rot a barrel but people and police are not apples! AMERICAN POLICE HALL OF FAME AND MUSEUM, operated by Florida Crime Prevention Commission, 1100 N.E. 125th St., Miami, Florida, is establishing a J. EDGAR HOOVER MEMORIAL POLICE SERVICE PROGRAM. They have been in business for twenty years and would like a \$20 contributions on this fund or would appreciate any amount donated.

Goodnight, Mr. J. Edgar Hoover, your good work goes on. THANKS from my heart to yours.

The Midnight Light As Seen in Ft. Worth-Dallas

Long ago and far way I lived in Ft. Worth, Dallas, before I met the light of my life, my better half, Marjory. From the time I arrived in Old Ft. Worth on the Greyhound bus, from West Texas, I walked down the street and found the Richelien Bar... to the time I left for San Francisco, few years later much water passed under the bridge. Somehow a destiny has followed me all the days of my life to somehow become involved and acquainted with the movers and shapers of the world we live on. I got acquainted with some women, one in particular, who was to alter the course of my life. My closest friends became some women and men who were associated with and close friends of the Rulers of Dallas and the High Wide and Handsome Life. I remember in particular, Sadey, Lou, and Ruby. The 'lady called Sadey' was a Texas beauty, witty, a lover of poetry, a favorite and the belle of untold parties among the 'in group' of Dallas — the Neiman Marcus crowd, Ditto with Lou. She not only knew Greg and Pitman, but had been 'confidential secretary' and God only knows what else to...the High Roller Oil and Politics crowd. When I met her, she'd just broke up a man, who not then, but nowadays, in some buildings around U.S.A. has his name in brass plated, and by some strange stroke of fate, his name is up here in Lancaster! What I'm saying is the destiny has followed me to this hour to somehow getting involved with the most vital issues and with people — who make the history and the deeds and the events that are history. Everybody knows today but not every

body knew in those days, that Dallas was a Power Point on Earth! Now Ruby was one apart. I didn't know Ruby so 'personal' as the others, but Sadey and Lou knew Ruby better than Ruby knew Ruby. Ruby was never on the Merry Go Round like many of us, but got in the passing lane and never got out. Ruby taught Sadey a whole lot of declamation-poems'. She memorized them, like "if you can walk with kings and not lost the common touch...if all men count with you...but none too much...if you can risk all...and lose and...never breathe a word"...or "I hailed me a woman from the street..... placed her in my model's chair... painted her there... as though the worst had been the best"...or "she stabbed me in the night ... when I wished she was white..." Robert W. Service...flowed like wine... and Kipling. I think Ruby taught Sadey all this. Or was it the other way around? Anyway I can see the scene now, the Richelien Bar was on the corner of Main Street, an old bar/room way back before prohibition was fantastic, back mahogany bar, beautiful glass, a brass oil, no seats — men stood at the bar with foot on the rail. And booths in the back. Oh, how many hours I've spent drinking those vast heavy glass mugs of beer, strong as an ox. Long about midnight...the air blue with good tobacco smoke, the brew had flowed for many an hour...on the juke box, playing that haunting song of songs of sadness... "Born to Lose" and through it all, I heard Sadey saying these words ... A bunch of boys, etc. etc.

Time is running out...

Senator John Tower, Republican, Texas, and a ranking minority member of the Senate Armed Services Committee has said recently, "TIME

Senator John Tower, R - TX.

IS RUNNING OUT!" for the U.S.A.! He says U.S.A. is now No. 2 in strategic nuclear power, theater nuclear power, all conventional ground power and air power and its most aspects of Naval Power! He says, "The Stark Truth is that we are now No. 2, and that fact is being translated at an accelerating pace by continued Soviet EXPANSION, ENCIRCLEMENT, and OUT-FLANKING vital U.S. in-

terests." Since the Democrat elements got in power years ago, nearly all power is being lost. It takes five to ten years to build ships for the NAVY. We have a bit over 400. Soviet have over 1000. Russia has 50,900 Tanks, U.S.A. has one fourth of that amount. He says, "I believe THE TIME IS AT HAND... a reversal of present policy is needed if U.S.A. is to SURVIVE." USSR seeks to take CONTROL of this Flat Earth, Imperial Russia to rule the world. I say nothing wrong with them WANTING to do this, it is perfectly normal. What is ABNORMAL and FREAKISH and PERVERT is for U.S.A. Government and Citizens NOT to try and succeed in BEING THE DOMINANT POWER ON EARTH OURSELVES.

Why are we now falling behind in influence and power? NASA? This Communist-Democrat Subversive gang has sidetracked all our Real Defenses...the Commie Con Game... the race to make better TV movies of "space adventures" has led people to think, especially after NASA and USSR Space Program conducted the "Marriage in Heaven", that, that ole nasty tank airplane ship soldier warfare was over, from now on just "push buttons" and build cities and factories in the sky as Brother Brown and the Democrats have promised. Give Earth to the Commie and we'll "Go to Heaven" in a space ship...build us a "world in orbiting cities" etc. LSD Tim O'Leary and Idiot O'Neil and Gov. Brown - all democrats - layed the plan out! THE SOLE REASON why U.S.A. is No. 2 is the FAKE SPACE PROGRAM. I say, now, cut asunder, stop, finish the fake SPACE SHUTTLE! NASA can be kept to test rockets and other good and worthwhile things - Space Shuttle is Out! like Lotties eye! - C.K.J. May Day 1980

A letter from Marjory

Stop the torture of God's Creatures

To Both Houses of Congress
To the Chief Justice and the Supreme Court
Washington, D.C., USA

May 1980

Honorable Sirs,

I humbly write you, in order to ask you, even beg you to act as God toward millions of little humble folks who can't even speak much less write. Pass a law to stop the experimentation on poor dumb animals? They cry out to us all, each day for help in some way, the whole Creation of dumb animals groans! Surely we must hear their cry, for with untold misery, they suffer. It is well known that experiments and tortures of animals cannot help the Human, as our bodies are different! So why make the poor dumb animals suffer and go through such torture, misery and sorrow?

So, Honorable Sirs, I humbly ask you please, would you do something to stop the Torture and Misery the day and night sorrow and pain... of the poor dumb animals...at the hands of the Scientists, the Priests of Torture... "The Vivisectors"?

Thanking You,
Most Sincerely
Mrs. Charles K.
(Marjory Waugh)

"two footed people" demand and get 'rights'. The four footed people are dumb, can't talk and 'demand'...but I believe they as God's Creatures Deserve Mercy. Today in the "Pounds" of USA and every nation on earth, 10's of thousands of DOGS, not Mans 'best friend', but Mans 'Only Friend' on this present earth...are waiting to be sold or given to the 'scientists' to torture to death, their ooor broken pain-racked, tortured-to-death bodies to be ground up and put in 'dog food' and forced on other dogs and animals to eat...they wait and wait...everyone who reads this has it in his power to go to the pound and...Redeem and save him. He would be your friend to death 'til you part...would give his very life for you...would you go to the trouble...and part with a few shekels to save Him? You know and God knows.

Lindbergh ... Contd.,

So Charles A. Lindbergh, armed with the true facts from the FLAT EARTH SOCIETY, in 33 hours flew across the FLAT SEA and landed in Paris, in bit over 33 hours. When the word went out, THE EAGLE HAS LANDED, all knew the very FOUNDATION of the insane jibberish of Judo-Christian Science Dogma...was shattered and the claim made by our people that U.S.A. would be first in Recorded History to know and declare the TRUE SHAPE OF THE WORLD and DISMISS WIERD WAY OUT OF THE INSANE OLD WORLD SUPERSTITION and be the center and forces of the New Age... and Age of Truth and Justice, Mercy where HONESTY and TRUTH DECENCY would PREVAIL, instead of the old European and Asiatic world of preying on the ignorance of the masses of the beasts as the Judo-Christian Scientists called the people and still call them today. They qualify to be called that cause so few can or do bother to even TRY to think and be rational logical men. All this is the TRUE reason the 'people' of earth loved and still love Charles A. Lindbergh. He fought a good fight - against the Priests of Darkness, the State Religion, in U.S.A. Judo-Christian Science. He made trips to Old China, then a FLAT EARTH NATION (though not official)... ever wonder why in all these years the Chinese were degraded? The Priests of Darkness lived in FEAR the "China Truth" would leak out, so the Chinese were called one word "heathenchinnie"...so who cared what they thought... Later his child was kidnapped and killed by a German. Was it because he proved Earth was Flat? In 1934 he went to live for awhile in England. While there, he learned of what he thought was the PLAN and PLOT to make a HOLOCAUST of the Americans. He said the English, and the Germans and their Running Dogs were plotting to get us in

war—not for our good! He had left the country because of the news media persecution. We knew why - to prevent the True Meaning of his Flight to ever get going strong. Disproving the Jewish-Christian Lie that earth is a ball! While in England he learned the real reason or one reason for the war - to stop Flat Earth Society and give strength to the Communists, who were the Church of England, Lutheran-Jewish Christian-Atheist...their weird idea of 'kingdom of God or Satan on Earth'. And to overthrow FLAT EARTH CHINA! and bring under by force and violence, under the CRAZED SATANIC DEMENTED DOGMA OF JEWISH-CHRISTIAN SCIENCE and so completed the job of DECEIVING THE WHOLE WORLD. He was shut up and called unpatriotic for this...no more heard of him. By the way, CHINA did fall to the Spinning Grease Ball Gang, untold of MILLIONS MURDERED 'holocausted' by the 'kingdom of god gang.'

Today, they in China are busy as bees, brainwashing China ... or TRYING, to accept the INSANE DELUSION OF LUNATICS... spinning ball world, no up, no down, no nothing, just grease balls and all of them spinning.

Good Night Charles A. Lindbergh...your work did not fail... Samuel Shenton and Lillian the Angel Shenton of Dover, England, took up the Mantle and kept the Light till they too fall...full of years and good works. Today I stand boldly and say to the Carnie Gang of the Space Program - thus far and no FURTHER that TRUTH, HONESTY, AND REASON WILL PREVAIL. Thomas Jefferson has said, "This country will be influenced by the majority" and he said "that majority can be One Man with a strong mind and him right", end of the quote. So beat it. Amen. Let it be. God in Heaven Above. C.K.J. May 1, 1980

Members Called Chosen and Faithful

Charles Kenneth Johnson, 1980 "A Stranger on the Shore"

Don't think I have thanked the many loyal members who not only paid their dues right on time but sent contributions, besides. Things have been rather hectic around. Let me say right now, "thanks to all members who sent in contributions, gave added motivation to forge ahead." Also thanks for the letters. Many needed to be published, but due to lack of space, printer had to leave out. Pity we can't afford another page. As truly the time is at hand, as we've said all along that 1980 is a crisis year! To be on safe side, I'd say, it is a good idea to always keep extra water - gal. of purex bottles. Also extra tobacco, coffee, and food. We are under 'invasion' right now but it could develop into bombings, etc. and millions of 'enemies' are in the U.S.A. and border now.

Mr. Robert J. Schadewald, an unusually good scholar and researcher, who one day may be considered America's Greatest Scholar-Researcher, has written another very informative article for one of the 'old line' science magazines. SCIENCE DIGEST will be in the July 1980 issue on our Flat Earth Society, will be in the July

1980 issue of SCIENCE DIGEST. We advise you all to get an issue. Also, by the time this paper is printed, we will have appeared on NBC's new and most popular show "Real People", scheduled May 7, 1980. It is about time someone took an interest in REAL PEOPLE as contrasted to the shallow, callow, pseudo people, who we read so much about.

It looks like now, it seems that NASA has taken our offer made in JUNE 1979 FEN to 'call off the space shuttle hoax'. Indications here is that they have! Edwards AFB under new commander has now run the 'carnies off' and is doing REAL Air Force work! NASA base on Edwards is now testing airplanes that you paddle and other useful projects that may benefit the United States and not damage us. Edwards has now turned Si Fi at base over to NBC. They have the 'contract' to provide the Science Fiction - fitting! If sins stopped, sins are forgiven as far as I'm concerned. Go right on, now and do it right, and fly straight. Forget about space shuttle and we'll forget about it.
